- .1 Collingwood contract:** Wilda reported that Chairman, Jim Harrold and she met with the Chairperson and CEO of the Collingwood Library on Friday, April 16th to discuss the library service contract. The Collingwood Library is not interested in expanding the coverage area at this time as it would not be within the Grey Highlands Public Library's proposed 2010 budget allowance of \$6000. The CEO and Chairman are open to further discussion following approval of the Grey Highlands Public Library budget.

fundamentally believes in Library Services and

as submitted to the West Grey Board in
December 2009 which is based on a per
household usage formula. Carried.

The Chairman and CEO will send a letter to West Grey Library Board informing them of this board's decision. The letter will also note that since the Grey Highlands Public Library requires the contract funds to maintain the current level of service that a response is requested as soon as possible.
