

FRIENDS OF THE LIBRARY

WHO ARE THE FRIENDS?

The Friends are a group of private citizens of all ages who volunteer their time, energy, and ideas in support of the Grey Highlands Public Library. They are a “non-policy and non-profit organization” whose purpose is to promote the interests and welfare of the Library as a cultural and educational asset to the communities within Grey Highlands and the surrounding area.

WHAT DO FRIENDS DO?

The Friends support the Library in several ways:

- Raising funds for special library projects, collections, resources, and programs;
- Sharing their talents as volunteers for library events; and
- Advocating for & promoting the library within the community.

HOW DO FRIENDS HELP?

The Grey Highlands Public Library has three Friends groups for each of its library branches in Flesherton, Markdale, and Kimberley. By joining a Friends group, you will have the opportunity to be involved in planning and decision making. Members help by volunteering at book/craft/bake sales offered throughout the year, author visits, special events, and organizing new and existing fundraising projects.

THE BENEFITS OF BEING A FRIEND:

- Contribute to the growth of Library services;
- Meet like-minded library lovers; and
- Participate in worthwhile community projects.

Support your library and your community by becoming a Friend of the Library today!
